Where Do Your Tax Dollars Go?

Holland Landing fire station renovations

New personal protective gear for firefighters

Renovations and improvements to recreational facilities, including beach volleyball and pickleball courts

Road rehabilitation work and sidewalk repairs

Improvements to stormwater management ponds

2025 Tax - Supported Budget

Property taxes pay for important municipal programs and services including road maintenance, fire and emergency service, recreation programs, events, parks and snow clearing.

East Gwillimbury's 2025 Budget has been adopted, setting the course for key investments in community safety, assets and infrastructure, and service enhancements for the growing community. The budget ensures the continued delivery of high-quality services while maintaining the lowest relative property taxes in York Region.

The total approved budget of \$73.5 million is comprised of \$16.7 million for capital projects, \$38.6 million for tax-supported programs, \$12.8 million for water services, and \$5.4 million for development fees.

Tax Deferral Program

The Tax Deferral Program allows qualifying seniors and low-income homeowners with a disability to defer the property tax increases from one year to the next, interest free, until the home is sold or a change of title occurs. Once this occurs, all deferred money must be repaid to the Town. A similar program is also available for water/wastewater bills. For more information please contact Customer Service at 905-478-4282 or customerservice@eastgwillimbury.ca

Pre-Authorized Payments

Residents can enroll in the Town's pre-authorized payment plan, where payments are automatically withdrawn on the due dates shown on your tax bill. You can also enroll in the Town's 10 month payment plan, which allows you to pay in smaller amounts over the year.
